

STOP THE CLAY QUARRY EXPANSION

Save Kingsteignton's trees and local environment

Why This Matters

Destruction of Kingsteignton's last large area of mature woodland habitat (protected bats, dormice, birds).

50 years of harmful silica dust, noise & HGV traffic beside homes and schools.

Tree removal strips natural flood buffering—2024 already saw the worst local flooding in decades.

Conflicts with Teignbridge Local Plan (EN2A, EN8–EN12) & Devon Minerals Plan M6 safeguarding landscape, habitats & community.

What You Can Do

1. Sign up for updates – scan the QR code or visit saveourtrees.org.uk
2. Follow & share – Facebook: facebook.com/SaveOurTreesDevon
3. Be ready to object – when the application drops, we'll give you a 2 minute email template to send to the council.
